Fashion Breaks Barriers

Collection Introduction

fbbclothingcompany.com

Fashion Breaks Barriers.

FBB Clothing Company stands for Fashion Breaks Barriers.

Our collection brings together expressive jacquard knitwear, tonal everyday apparel, accessories, and down outerwear. Signature designs include the FBB Barrier Breaker logo links and repeating FBB lettering.

We’re seeking relationships that help introduce the collection to relevant retailers and build a sustainable wholesale business.

Stephen Wisher

FOUNDER

Stephen Wisher is the founder of FBB Clothing Company. His direction for FBB centers on a distinctive streetwear identity expressed through signature knitwear, apparel, accessories, and outerwear. Stephen is seeking strategic relationships to develop the brand’s wholesale presence and support sustainable growth.

Let’s introduce FBB to its next retail audience.

We welcome conversations about wholesale representation, showroom opportunities, and retail partnerships. Brand-development, communications, and creative-service proposals are reviewed separately according to scope and commercial fit.

Distinctive patterns. Knitted-in identity.

FBB Signature Knits feature jacquard designs knitted directly into the fabric, rather than printed on the surface. A cotton-blend construction and slightly relaxed unisex fit make them versatile layering pieces.

ORDERING INFORMATION

50 piece opening order

Opening wholesale orders start at 50 pieces. Orders of 100 pieces receive the same unit pricing.

01 **Product mix & outerwear**

Mixed styles, sizes, and colors are subject to confirmation. A mixed 50-piece order does not automatically qualify outerwear for its supplier’s quantity tier.

02 **Quotation & additional charges**

Shipping and applicable taxes are additional. Final pricing, production availability, delivery estimates, and payment arrangements require a written quotation before order acceptance.

03 **Wholesale enquiries**

Contact Stephen Wisher to request a collection discussion or wholesale quotation.
